The Divine Laws of Establishment

By
Pastor V.S. Herrell

A special thanks and salute ...

... To those truth-loving, Separated Christians throughout America who have given so unselfishly of their finances that the pure Word of God might go forth to have its perfect work in the resurrection of the Anointed Nation and whose assistance makes possible the putting in print and distribution of the Christian Separatist point-of-view on vital issues from the Word of God, nationally and throughout the world.

... For the invaluable assistance of the brave P.O.W.s whose Bible research it has been the honor of Pastor Herrell to voice in the on-going restoration of Bible truth. It is our prayer that our people will continue to remember at every opportunity those brave men and women and their families who suffer at the oppressive hand of an antichrist government for the sake of truth and the just judgments of God, and all who are persecuted for the sake of Christ Jesus.

... To all Associate-Pastors, Elders, Deacons, General Members, Associate Members and friends of the Christian Separatist Church both near and far.

... To the Glory of the Reputation and the realizing of the Government on Earth of our Older Brother, Master and King, Jesus Anointed

There are a number of assumptions that need to be questioned, and the error of those assumptions needs to be exposed if the people of God are going to come to a true understanding regarding what the Bible actually teaches on certain issues. One of the major issues that needs to be addressed from a Christological point-of-view in this day and time, is many of the assumptions, or should I say presumptions, that the Judeo, antichrist, deceived churches assume in regards to the nature of men and women. Most of Judeo, so-called "Christianity's" doctrines are based upon the carnal-minded interpretation of ungodly men who do not care what the Word of God actually says or teaches and who, for the most part, have never actually read the true Word of God in the original Greek but are rather preaching a second hand religion that all too often has little, if any, valid understanding of what the Scriptures actually say. I cannot stress strongly enough the tenets of Positive Christianity that we are today calling Christian Separatism.

All men will find that if they are to understand God's Word they must begin at the beginning and master the basics! They must comprehend the elementary teachings of the Word of God before they can ever go on to comprehend the height and depth of the Word of God. So before I address my subject, I want to turn back into the Scripture, that is the Old Testament Septuagint, which was the only Scripture recognized by Jesus Christ and His Apostles (that is not to say that what we have today in the New Covenant is not Scripture as far as you and I are concerned), but I want to look back at the Israel of God and the laws of Divine Establishment and Order that were observed by the Israelites. I

want to draw you, if I may, a word picture of Israelite society under the law of Almighty God.

Now, the very center of Israelite society was the household, the family. That is a fact of history, and much of what you read in the New Covenant of the Lord Jesus Christ is dependent, in its understanding, on whether or not you understand Israelite society under the laws of Divine Establishment of Almighty God, because whether you know it or not, we are talking about the same people and the same Church, the very same Body Politic or Society, and the same laws of Divine Establishment throughout the Word of God, for God has not changed, there is not the slightest shadow of turning, He is the same yesterday, today, and forever. In Israelite society, when a young man and a young woman came to age, they were given in marriage by their parents and their friends of that society, and because they had been given in marriage, they entered what Israelite society recognized as (a) holy, that is, separated, estate of Divine Establishment that we call today marriage. Notice that I am saying that they were given in marriage. They came together, if you please, for the purpose of establishing a household or family with the purpose in mind of perpetuating the society or race of which they were a part. And here is what that young Israelite couple had been taught: they were taught that the woman was to be submissive to the man and help him run the household under his authority, and, God-willing, to produce male children as a preference. They were taught that it was a sin against the Israelite society for either one of them to desecrate their marriage vows of faithfulness to one another. Jesus Christ said, **"On account of this, a man will leave his**

father and mother [and will be joined to his woman]" in other words, their father and mother's household, **"and the two shall become into one flesh"** (Mark 10:7 AST). This is a law of Divine Establishment.

When you go through to study the Word of God, you will find that the *adultery* family of words carried two meanings: one in reference to the society or the Church in preserving the purity and validity of the male seedline, and the other was preserving the national, racial consciousness of the people. So the estate of matrimony was a recognized, holy, Divine Establishment that Jesus Christ said was ordained an institution of Divine Establishment from the very beginning when God set in motion His original cosmotic order. I want to point out to you that the only Cosmotic world order that God the Father ever blessed or does bless in this hour of history is His World Order, not the Satanic world order that came into existence at the cowardly capitulation of the first Adamites. So the violation of a man's seedline, that is, to have illicit sex with another man's wife, was forbidden by the law of God; incest was forbidden; molesting young children was forbidden, and you may go through and you may read for yourself all of the laws of God regarding the regulation of a holy or Separated Society. Homosexuality was not tolerated in either men or women in the Separated Society of the Church of Ancient Israel, the Church of Israel; disobedient, incorrigible, unteachable, rebellious children were not tolerated in that society, in fact, they were put to death, because you see the Israelites believed in the common adage that one rotten apple will indeed spoil the whole barrel, and

whether people like it or not, these social precedents of the white race policing itself are still very much in force. I tell you that the problem is not that God has stuttered or veiled what He has had to say, the problem is that we live in a society of people who have been brainwashed by Jewish, Talmudic, Communist Socialism. Talmudic socialism is utter insanity. It demands that human garbage be afforded the same rights as decent and honorable people. It is also hypocritical. The same Jewish social theories find a convenient inconsistency when it comes time for the Jew to have a cancer cut out of his body in order to sustain his life. The principle of separating evil from good is an eternal principle that made the white race strong and progressive in the natural, social evolution ordained of Almighty God and His Word. And in the New Covenant, we are admonished to put away from us the leaven of the Pharisees.

There were whores in Israel, white whores in Israel, but they were the exception and they were usually widows who fell upon hard times and who were victimized by lawless men; but they knew that they were whores and they did not pretend to be ladies and they existed only in God's permissive will, not His perfect will. Now in the society of the Separated Ones of Israel, all of the families were extended families and this was true of most of the world at that time, including the pagans and Romans; the grandfathers and grandmothers were reverenced, they were not kicked out or put in old folk's homes; it was understood to be the duty of the children to take care of their parents and there were laws in Israel regulating these things. Now I want to talk about maturity in the called-out ones, in reference to what we may observe in the precedence

of the practice of the laws of Divine Establishment as practiced in ancient Israel.

Because the Israelites practiced extended families and they preserved the continuity of the generations by having the grandparents and the parents and the grandchildren and sometimes great-grandchildren all usually of one household, and certainly all within the same vicinity of one another, that they might help one another, there was an established procedure for the raising of children. The parents of that society took great care in executing the responsibilities of raising their children because they knew that the day would come when they would decrease and their children would increase; in other words, the day would come when they would turn over their estates and the administration of their estates to, usually, their oldest son who was considered to be duty-bound to execute the administration of the estate and take care of his parents. So the fathers and mothers of Israel procured the very best teachers that they could afford and raised their children and taught them the law of God in their generation, and so thereby there was established a consensus of knowledge about the Word of God throughout Israel. If these parents saw that their son was greedy, rebellious, ungodly, incorrigible, and unteachable, they would take him down while they still had the authority over him to local elders or judges and they would hear the case and pronounce a sentence upon the child, and if he was found incorrigible they would take him out and put him to death and then they would focus the attention on the other children to raise a good, God-fearing child, because they knew that they were dependent for their future upon that child. My point is that the society of Israel took the raising of their children

very seriously. You would not have talked them in to turning over their responsibility to a communist, socialist state. The ideas of Jewish socialism were alien ideas because the true Word of God was taught in that society.

In the normal run of the social laws, the child was raised in the admonition of the Lord, taught God's law, and when he was schooled and taught the family business and it was decided and determined by his parents that he was capable of taking over the household and the administration of those things, the day came when the father would go before Israel in the presence of the elders of the community and his friends and he would make the declaration that his son's education was complete, that his growth and maturity were complete, and he would say these words, "This is my son in whom I am well pleased." From that day forward, all the elders and the community knew and understood that the father had turned over the administration of the household and his business to that son and so there came a changing of the guard for the family honor and for the family name. Now I want to make it very clear that there was not necessarily a set age for this declaration or change of household administrator. It was a decision that was up to the parents, specifically the father. And I want to make it clear that this custom in Israelite society was fulfilling the law of God. The principle that I want you to focus on is the fact that the determination for the maturity of the child was up to the father. Until the day when the father made this declaration of his son, his son was a child, legally under his administration. It did not matter whether that child was eighteen years old or twenty-eight years old; age had nothing to do with the decision of the

father. It was the father who decided what degree of knowledge and maturity the child had to reach before he was confirmed in this manner. It was the father who decided when the child became the man of the house. Now it is true that folks back then did not necessarily live as long as we do today. It is also true that they entered arranged marriages at an early age and it is also true that there was social pressure on fathers all the time to make this recognition of their sons at a relatively early age, otherwise they would be accused of withholding from their son or they would be chastised by their neighbors for having a stupid son.

Someone may say, "Well, Pastor, this history is interesting, but how is that relative to us today? How is understanding the perpetuation of Israelite law in the Christian Covenant relative to us today?" The answer is very simple and very important. First of all, if you are going to understand the New Covenant Church or Society, you are going to have to understand it as the family of God, that is, the Divine Race of God. If you are going to be a Separated Christian, you are going to have to go to God the Father and recognize Him as your Father, and if He is truly your Father, He is going to have to recognize you. So when we are talking about the called-out ones of the Christian Separatist Church Society, we are talking about the royal family of the Most High God, and when we turn into the New Covenant, we find these words of God, that God the Father has made Jesus Christ the standard or measure of man. The Record records that God spoke these words of Jesus Christ, **"This is My Son, the Beloved, in Whom I have found delight"** (Matt. 3:17 AST). The record says and teaches clearly that God the Father has turned all authority

over to Jesus Christ. Jesus says in Matthew 28:18: **"All authority in Heaven and upon earth was given to Me"** (AST).

So what does this mean from a Christian maturity point-of-view? It means that if you as an Adamic, Israelite, Christian believer are going to fulfill your destiny and grow in the grace and knowledge of the Lord and become a man or mature, recognized to be mature by your Heavenly Father, you are going to have to measure up to your Older Brother. Christ Jesus Himself is the standard of maturity. Now let us take the implications of this Christian Separatist teaching that we have just stated one step further. The implication is this: all racially pure Adamic people are the children of the Living God, both male and female. It does not matter whether an Adamic man or woman believes in the Lord Jesus Christ or not, they are still the biological children of the Living God in race and they will be such all the days of their physical life so long as they do not become as that incorrigible, blasphemous child whom the elders put to death. I want you to listen to me very carefully: a true white man who is a non-believer is a child; it does not matter how old he is, he is still a child in the eyes and under the law of God, he is in the same boat, legally speaking, as a woman. He will remain a child, even if he becomes ninety years old, until the day that he bends the knee to the Lord Jesus Christ, enters the Communion of the Separated Ones, and his Father is able to say of him, "This is my son in whom I am well pleased." And let me tell you this point blank: We have a lot of sincere and not so sincere people running around in the white wing claiming to be the Israel of God. But somehow they conveniently forget that the word "Israel" means

rulers with God. In this day and hour, to be a ruler with God, a person must go through the Lord Jesus Christ. All Governmental authority has been given to Jesus Christ and to the society or the Church, that is to say, the Government, which He established. Anything less is a false gospel. So it is this simple: to claim to be the true Israel of God is to claim to be the true Church of God on this earth, and the only way that anybody can be a part of the true Church of God is for God to put them in the Church of the Firstborn. That means that we must fulfill all of the Law of God. We must keep more than the first four Commandments which have to do with our duty to God as individuals, we must also keep the last six Commandments which are statements of our duty to our racial brothers.

I want to say this as plainly as I can: There are no Israelites, rulers with God, who are keeping only the first four commandments and being religious. If you are not fulfilling your duty to the true brotherhood of Christ, then you are still an enemy of God, and when you die, you will go to Hell along with the most incorrigible and godless person you can think of. So if you have any fear of God before your eyes, you had better wake up and you had better stop underestimating the Talmudic Jews, who seek to lead God's Chosen Race, the White people, away from the truth of the New Covenant of Jesus Christ. I emphatically recommend the reading of other Separatist literature, especially *The Standard of Christian Separatist Unity and Christology*, because things are so bad that we have Jews calling other Jews "Jews," and this has long been the tactic of the Talmudic Jews. So what I am saying is that being an Israelite is more than being born with a racial birthright or even knowing about it; it involves the

renewing of the Mind that can only be obtained in the Saving Knowledge of Truth of the New Covenant so that your Heavenly Father can say of you, "This is My beloved son, in whom I take delight." If you are here today and your Heavenly Father has never been able to say that about you or if you are reading this dissertation, and your Father has never been able to say that of you, then you are a child under the law of God. If you have never professed the Lord Jesus Christ as your Appointed Savior and thereby recognized Him and His authority as the measure of maturity for the white Adamic race, then you are a child. If you have never entered the communion of the Separated Ones, to walk among the Sons of God, the mature sons of God, according to the pattern of order and decency of the New Covenant, then you are a child. If you are ashamed of your race and you are ashamed of the racial message of the Lord Jesus Christ and you hide behind phony religion that contradicts the Word of God, or you hide behind a facade of false patriotism giving your allegiance to a despotic government of Jewish socialism, then you are very near being an incorrigible child. I do not want anyone to mistake my positions, because I do not sugar-coat the truth. We do not need anymore fair-weather patriots of Heaven. We do not need anymore Identity Christians, Judeo-Christians, and Ku Klux Klansmen who are ashamed of being racists. We do not need anymore nigger-kissing Nazis. What we need and what God is in the business of calling are His Children who will enter covenant with Christ, following no other, and who will stand up like men instead of a bunch of castrated wimps. I tell you that if you are ashamed of the racist Jesus, then He is ashamed of you and

so am I. Compromising with the Jewish Socialists, playing little word games, is being a pansy and God hates cowards!

What I am telling you is that it is God's Will for your life and your appointed destiny for you to grow in the grace, or favor, and knowledge of the Lord that you might be made complete or perfect in the eyes of God. I am telling you that there is a standard of maturity taught in the New Covenant under the laws of Christ that defines and determines what a man is in the Separated Society of the modern day Israel of God. I want to make it clear, if a person has not aspired to have the mind of his Heavenly Father as expressly stated and taught to us in the Word of God, then it must be said that that person does not have the Mind of his Father, he is not complete, he is not mature; he does not have Holy Spirit. Let us look back for a moment at what we said earlier about the called-out society in ancient Israel. Do you think that a father would turn his household and the administration of his household over to an incorrigible son whom he knew would ruin his household and destroy his family? Certainly not! You may rest assured that the fathers in Old Israel made sure that their sons thought like they thought, believed like they believed, and were capable of making the same judgments that they would make themselves. In other words, throughout history, it has always been a fact that a father would only consider his son mature when the son was capable of making the same rational judgments about things as the father himself would. No father would turn over the administration of the household and the family business to a son whom he knew did not share his same values and was not capable of his same judgments, unless of course that father was

crazy. The position that a lot of Judeos take in their theological positions and circumstances show that they think that God is crazy, and to think that God is crazy is blasphemy. No, my Separated friends, the God of the Bible is the very standard of true right thinking, that is, righteousness, true sanity.

So today I want every Separatist and all those who will be separated unto the Living God to clearly understand that if you are going to fulfill your God-appointed destiny as a white man, you are going to have to measure up to the Mind of Christ, you are going to have to have the same judgments as your Heavenly Father, you are going to have to have the same beliefs as your Heavenly Father, and I want every man and woman to understand that there is only one way that that is possible and that is to get into the Word of God the Father and study to show yourself approved unto your God, which is your reasonable service, and to allow your Heavenly Father to baptize your mind with His Spirit of Fire until you think the thoughts of your God and have the judgments of your God, and this can only come to pass by receiving the one true baptism that Jesus Christ came to baptize His Separated Ones with. No amount of will-worship, no amount of phony theology, no amount of being religious or observing rituals can form in you and I that character of Christ that is required for our Heavenly Father to say of us, "This is My son in whom I am well-pleased." Only the Spirit of Truth, the Spirit of Revelation, can give you that one true baptism that meets the description and the requirements of God's Holy Word and Mind as revealed to us in Scripture, and the implication of this is that you and I must take responsibility for our own stewardship to our Master. That means that we must render our

reasonable service, and that reasonable service is to give God your Father your all. Christian Separatism is a one hundred percent commitment to the Father. Nothing less will do. Nothing less will save you as an individual or your family or your racial family.

Our Heavenly Father has provided us with a far better Teacher than any man; He has given us the Spirit of Separation, the Spirit of Truth, the Spirit of Wisdom, the Holy Spirit, and He is a wonderful Teacher, a wonderful Counselor. Jesus promised you that He will lead and guide you into all truth. **"But when that One comes, the Mentality of Truth, He will guide you into all truth ..."** (John 16:13 AST).

Today, I have told the men of the called-out society the truth and I am sure that I have offended a few of those incorrigible little brats who will not bend the knee to Jesus Christ, for the Lord spoke of our times and He said that it would be the majority who would be offended. **"And many will be offended then, and will deliver up one another, and they will hate one another"** (Matt. 24:10 AST). But I had rather offend a few, or if necessary, the majority of stiff-necked rotten apples, who choose to be slaves of Satan, serving their appetites and passions, walking in enmity and being an enemy to the Living God, than to go along with the popular lying Judeo pimps in the pulpit. If the truth of God's Word offends somebody, so be it. It is better that they perish, that the Church of God might live, and that the white Adamic race might be perpetuated. You see, the truth is, we don't want those kind of people in the Separatist Communion in the first place. The disobedient, incorrigible, stiff-necked kids have no business among the decent kids of God. Now someone may say, "Now, Pastor

Acts 7:51

Herrell, that is not a very loving attitude," and I say, you are a damn liar. I say that that is a true loving attitude because it is according to Scripture. Moreover, God is love. True love is loving God and God's Word above all else!

Do you not know that those elders and judges who sat at the gates at the cities of Israel and made the decision to stone and kill the incorrigible children and get them out of the society were men who loved the Word of God and the people of God? Do you not understand why they did what they did? If not, you are still a child. So I say with Paul to the modern Israel of God, **"Be men! Be strong!"** (I Cor. 16:13 AST), stand up like men, do **"away with the things of an infant,"** (I Cor. 13:11 AST), think like a man. Think like the Man Christ Jesus!

All the things that I have said today, thus far, are very important Biblical truths of the Word of God. Now I want to take you further into the understanding of these principles by discussing the implication of these principles wherein it affects us as a people and as a race. Now I said earlier that all pure white Adamic men and women are the children of the Living God. That is true because God chose the Adamic family above all other families of the races of manlike-creatures on this earth to be His portion of the earth. This is the original intent of the laws of Divine Establishment and Divine Order of the Adamic covenant as it was made in the beginning. But the fact that people are born into this world in an Adamic, white body, does not teach universal salvation. It never has and it never will. The teaching of universal salvation for all white, Adamic people, based upon race only, is a perversion of the Word of God and it is the doctrine and the product of a mongrel mind. Only a mongrel

mind would teach such a doctrine, because whether it is in the Old Testament or the New Testament, the Word of God says that such men are liars. It is not enough, wherein salvation is concerned, just to be born an Israelite or a white, Adamic man. You are not born saved, you are only born with the potential to be saved.

In the Old Testament Scripture, God destroyed the stiff-necked incorrigibles. In the New Testament, He declares that the nonbelievers will not inherit the Government of God.

> **"Or do you not know that the unjust ones will not inherit the government of God? Do not be led astray, neither prostitutes, nor idolaters, nor mongrelizers, nor effeminates, nor homosexuals, nor thieves, nor greedy persons, nor drunks, nor revelers, nor robbers shall inherit the government of God"** (I Cor. 6:9 AST).

So therefore, we know that it is possible for a racial child of God to fall from the favor of God.

Brotherhood, in the sense of fraternity of Christ as used in the New Testament, is constituted in principle by citizenship in the Government of God. So non-believing white men who have not crossed over the line of blasphemy to blaspheme the doctrines of Christ and fight against the Living God are children of God with potential to be made complete in Christ Jesus, that is, made mature. While it may be true that they are our racial kinsmen or brethren in the racial sense, they are not our full brethren in the spiritual sense, because they are not of the same family, not of the same fraternity. Now listen carefully, this is true because

their racial condition affords them only the potential for salvation, not salvation itself, and while it is true that they are the racial children of God, they are not in the favor of our Father and they are not in the Mind of our Father. They exist only to us, not to the Living God. This is true because, first, they are not in the Mind of God, and second, they are not alive to God, they are walking dead-men, because they have not been quickened, made alive, by the Word of the Living God. Oh yes, they have faith, but it is a dead faith because it is a faith without actions. If you do not believe that you can have dead faith, then you need to read the book of Jacob. So here is the law of the Living God. They are born of Israel, born of Adamic man, and they therefore belong to Adamic man, and men are responsible for them, because legally, they are children and therefore wards of the Church of the Living God. Wards of the mature men of God.

All little white children, regardless of their parentage, regardless of the circumstances in which they come into this world, whether through obedience to the laws of God or disobedience, belong to the Church of God, they are the property of the Church of God, they are under the authority of the Church of God; they do not belong to the antichrist state, they do not belong to the state religion of the Baal- and Mithra- worshippers; they belong to and are under the authority of the called-out, Separated Ones of Almighty God. I am not using the term "belong" in reference to membership; I am using it in the sense of property, of rightful belonging, and the point that I am making is that we, as the Separated Society, the Body Politic of the Lord Jesus Christ, must, in principle, accept our responsibility of being

responsible for all Aryan children, and, my friends, I can assure you that if we were living in a decent society and that if we as a Church had the power, political, economical, and otherwise, we would not allow one single, Aryan, Adamic child to be adopted by mongrels or little white girls forced to socially interact with mongrels.

I can assure you that the adoption laws and the antichrist imposed, so-called "social norms," would be abolished and every Aryan child would be afforded the opportunity of his birthright. I can also assure you that parents would do their duty, but the present reality is that although we do have the authority, we do not have the power to enforce the laws of God except in the Church and among those who believe the Word of God and fear the Living God. But, my friends, the God who cannot lie has said that His Word will not come back void. If you put God first and in your life and if you do your duty as a true Christian Separatist, then it is very possible that we shall be able to increase to such a bold remnant that we will be able to once again institute the sanity of Christian Separatism and overcome the Jewish Socialism of not only America, but Germany, England, France, and all other white states as well. Christian Separatism is the religion of the future White Race because it has always been the religion of the White Race. But one thing is certain. Jewish Socialism and the Jewish Socialistic Government that is empowered at this time will not be overcome by capitulating like a moaning whore to Jewish religious fables.

Therefore, in this present truth, it is a self-evident fact that your first duty must be to your immediate family, and in the case of the Separatist Communion, we must practice the obvious priorities.

So we must have preference for believers over nonbelievers. That is the law of God. And we must be mature and responsible, even when the majority of our race are not. We must act in accordance with the law of God in the best interest of all of our race, and this means for us as Christian Separatists that we must tell the people all of the truth, for in doing so we afford them the best opportunity that they shall ever have in coming to know the Lord Jesus Christ and the wonderful blessings of our Heavenly Father. Thus, those who are learning today have learned that all pure Adamic men and women, boys and girls, are the children of the Living God; they are the racial family of the Living God. And while the body container to which we were born affords us our birthright, it is not all that our Heavenly Father desires us to attain while we are here in these physical bodies. Our Heavenly Father wants us to be made complete in the man Christ Jesus and to measure up to the standards of the man Christ Jesus, and make no mistake about it: the Man Christ Jesus is a man of war. We have also stated that any white man who is not a Christian under the law of God is still a child and has not put away childish things. It does not matter how old a white man may be who has not been separated unto the Lord through the operation of the Holy Spirit or Spirit of Separation to bend the knee to the Lord Jesus Christ and thereby to enter the true Christian State; a person can be ninety years old and still be a child. We have also brought forth the fact that all little children of pure Adamic race belong to the Church of the Living God, even if they have godless parents, and that, my friends, is a statement of possession and authority. All little Adamic children are wards of the Government of Heaven.

Eg. MATT. 10:34

The next point that I want to make to you is that little children do not remain little children in body; they grow, and physical growth is part of the natural order or the motions of life that God has set in motion and all little children eventually grow past the time of their innocence and they lose their innocence through the brainwashing and bombardment of their minds by the organized antichrist of this world and they fall victim to the diabolical mentality of Satan, and for the majority, they adopt the belief system of the satanic world order and they begin to love the things of the satanic world order. Jewish Socialism can be very seductive. The exception to this is a child who is raised by diligent parents. Sirach offers the following wisdom:

> **"Do you have children? Instruct them and bow down their neck from their youth. Do you have daughters? Care for their body and do not show yourself cheerful toward them. Give your daughter in marriage, and you shall have performed a heavy matter, but give her to a man of understanding. Do you have a wife after your mind? Do not forsake her"** (Sirach 7:23-26 LXX).

But the sad truth is that most of our race have been victimized and raped by Satan and they have believed lies and they are no longer sinless, innocent children, but they have entered service to Satan and a great many of them have gone so far as to blaspheme the Living God of Heaven and they have forsaken the laws of God and they have followed the false prophets and the false religions and the phony jesuses, and, by decision of their self-will,

they have become the enemies of God by enjoining themselves to the children of Satan and thereby they have sold their racial birthright, and it is not a pleasant truth to consider.

Those who have been seduced by Satan in their minds will eventually act upon the dark thoughts, and their mental behavior will eventually manifest itself in physical behavior in the world. We are already seeing stupid little ignorant white girls clinging to ugly niggers through the land. The great majority of white people are seduced by the phony patriotic philosophy of Jewish democracy and have set up man-made laws as their god over the laws of God in their Bibles. Today, the White Wing is rendered impotent as an effective force and movement, not because people are ignorant of racial consciousness, but because far too many Jewish misinformation advocates and undisciplined, so-called "leaders" have emerged and are acting in disbelief and in selfishness. Jesus said, **"And I, if I be lifted up from the earth, will draw all to Myself"** (John 12:32 AST). The Spirit of Separation draws men and makes men. I think that it is a very sad commentary on the so-called "White Wing" when they will promote any atheistic, illogical pamphlet, any Jewish myth, often written by Jews, but when it comes to selling or promoting anything written by Christian Separatists, they throw it in the garbage. There are few honorable men left in America who actually have reverence for the Word of the Living God among the White Wing leadership. I can say this because I can assure you that everyone of them has received Separatist literature.

Now for those who have gone into blasphemy of the doctrines of Christ, their racial birthright means

nothing because they have become the enemies of God, the twice dead children of Hell; they are literally at war with God and stand in need of making peace with God, and their fruits of action and inability to produce the fruits of Separation manifest them as incorrigible children, and they are reprobates, rejected by the Living God, operating in a carnal mind, which is living death, because they have refused to receive the Spirit of Life. Jesus said, **"I am the Way, and the Truth, and the Life. No one comes to the Father except through me"** (John 14:6 AST). Jesus also said that those who are His keep His commandments. He tells us that they will hear His voice of truth and will follow no other. That is the standard. Let us say it again as plain as we can: No man comes to the Father except through Jesus Christ.

My friends, there are no exceptions to this Exception. There are no Israelites who are not obeying the teachings of the true Communion of the Separated Ones. Be not deceived. He who has the Son has both the Father and the Son. Those who do not have Jesus Christ by obeying Him do not have God. They are self-deceived. So, like the incorrigible children before the judges at the gate, God's Word judges these people and declares them worthy of death, but then of course, they are already spiritually dead.

So we see that while we as the Separated Ones of God and as the Government of the Living God are indeed responsible in Christ Jesus for all of the children of God, racially speaking, and while we see that it is those who accept their responsibility, ordained of Almighty God who only have the authority to determine the destiny of our racial society, we also must see that we as the Living must

not have our abode or fellowship among the dead. Let me illustrate this for you. If you have a physical brother and he dies physical death, is he still your brother or is he merely a rotten corpse in some graveyard? The truth is, he is only your brother in memory. You cannot fellowship with him, you cannot talk to him unless you want to break the law of God, because he has passed over from this dimension into another dimension, another world. Therefore, as far as you are concerned as the living, he is dead. This, my friends, is a physical reality of this life, and what is true in the physical dynamics of this life is also true in the spiritual, for it is by the physical that we understand the spiritual. And so today, those with an ear for understanding can better comprehend why it is that we Separatists practice a closed-communion, for the Communion of God is for the living, for those made alive in Christ Jesus, not for the dead (Matt. 22:32). For our God, the true God, the God who cannot lie, has made us to set in Heavenly places. We rule and reign in the sphere of Heaven, and those who are mongrelized in mind and refuse to enter fellowship with us are not of us. They are just walking, rotting corpses. They profit us nothing; they sell us out to our enemies. They capitulate to our enemies, because their minds are mongrelized. Oh yes, in body they are white and acceptable, but in their minds, they have continuous intercourse with the enemies of God and their minds are stained with the semen of Satan and need to be washed white as snow. They cannot hear the Spirit of Truth that demands of our race to "Come out from among them and separate."

The first Heaven is for the living; Hell is for the dead, and God our Father is the God of the living,

not of the dead. Thanks be to God that there is a remedy and a resurrection, here and now, for the spiritually dead who have not committed sin unto death, and that remedy and that resurrection is the blood of Jesus Christ. That precious blood from Emmanuel's side is still flowing, still cleansing, still offering pardon, still returning God's children to innocence, still offering justification to whosoever will come. Whosoever of the Children of God who have the God-ordained capacity to have ears to hear and eyes to see may come and freely be washed in the blood of the Lamb.

Now as Christian Separatists, we believe that the first manifestation of the Church of the First Born on earth is the separated family. We believe that all local communions must be composed of separated families. We believe that God's laws of Divine Establishment are still in effect in principle and are still binding. We do not believe that God has changed. Therefore, I want to spend some time and talk about the patriarchal principle. In God's work of Divine Establishment, He established the patriarchal principle in the first Adam. This principle continued and He reaffirmed this principle in the man Abraham and it was through the family of Abraham and Sarah, which later became known as Israel, that the promised appointed Savior or Christ, Jesus of Nazareth, came. Now Jesus Christ tells us plainly that He did not come to destroy the law; rather He came to fulfill it, to be the law (Matt. 5:17). Jesus Christ came to take on the body of Adamic man that He, as God in the flesh, might finish the work that He began in the beginning so that as it was in the beginning, so shall it be in the end.

The New Covenant testifies to the fact that Christ Jesus came to defeat sin and death. Today, my friends, you either believe that He did that or you don't. The Christian Scriptures witness to the fact that Christ finished His work. You either believe that or you don't. There is no middle ground on these issues. Jesus Christ said that you are either with Him or against Him (Mat. 12:30). He is either the Alpha and the Omega, or to you, He is not. Now the first works of Almighty God as He set in motion in His creation and establishment of the Divine Laws of Establishment and Order and the Divine Institutions that He, God Almighty Himself, instituted, such as marriage between male and female, are still in motion. God has not changed. So when a man and woman marry they constitute the nucleus of a family, which is the Will of God. If they are blessed of God and they continue, they have children, and you have the first manifestation of the Church of God of the Adamic race on this earth if they are believers. The purpose of marriage is not sex, it is to produce offspring.

The purpose of marriage, therefore, is to perpetuate the race of God on earth. The fact that you have to have sex in order to achieve that divine mandate is only incidental. So we may see that in the Mind of God there is nothing more holy, more separated unto Him, than the Adamic family, and this is the message of Scripture, of both Old and New. Now it is a self-evident fact that Christ did not change the Divine Laws of Establishment and Order; He did not make something besides male and female; He testified to that fact when He sanctioned the Holy estate of marriage that these provisions of Divine Establishment and Order were still in motion and quite pleasing unto God and part

of the Plan of God. Christ came building upon that which He had already built. Let us look for a moment and ask the question, Why did the Christ come? He came that you and I might have life and have it more abundantly (John 10:10). I want to assure you as God's witness in this generation that the life that the Scripture is speaking of is both spiritual and physical, for you cannot have the perpetuation of the family of God only in the spirit, you must have physical body containers. You cannot kill off all the white people and there be any servants of God on this earth, for God chose the white Adamic race as His portion of the earth and you are a chosen race and a royal priesthood unto God. The lying Jews can try to steal that truth and they can convince hundreds of thousands or millions of Judeo fools that they are the chosen race, though they are self-evident mongrels both in body and mind. I challenge anyone who does not believe that the Adamic White Race is the chosen race of God and God's people to prove otherwise with the Bible; they will not, they will only ignore God's true preachers. They know that they cannot prove otherwise because the Bible was written to Adamic man, by Adamic man, and for Adamic man, and no one else. So Christ came that we Adamic men might have life and have it more abundantly. But make no mistake about it - the life He is talking about is the restored life of God Himself literally abiding in our beings, that is, in our minds, and members of the true White Race are the only beings on this planet in whom the Holy Spirit can dwell. All other races are insane, for they were never created with the capacity to be indwelled with the Mind of God. This is why, my friends, II Timothy declares those unregenerate white men to be mentally ill. So the issue before us

in this Jewish orchestrated society is who has the right to determine who is sane and who is insane. God's Word declares that He alone has the right to set the standards of sanity.

Now, He had already, that is, God Himself in the beginning when He ordered the cosmos and brought in the original cosmotic order that He loves so much, established in the physical realm how it was that you and I were to have abundant life in the physical world, and He set those things in motion and He established Divine Institutions, among them the Divine Institution of marriage and of the home or the household and of the order of male and female and of the order of patriarchal government of the home, and none of these things have been done away with in Christ Jesus. In fact, they have been made possible to achieve their fullest fulfillment in Christ Jesus. Moreover, any subjective philosophy, whatever label it takes, whether religious or political, that is against the laws of Divine Establishment and Order as created and set in motion by the Living Word of God, in reference to Christ Jesus our Master, is an antichrist philosophy - it is against Christ. Any philosophy that perverts the Divine Mandates of the Order of Decency is antichrist. The reason is simple: Christ was the Voice of God, the Word of God there in the beginning, who institutionalized His Divine Order, and He came in the end of the age, at the appointed time, and reaffirmed every principle of the Order of Decency in His New Covenant. So if we say "Word" of God, or Logos, it is in reference to Christ. If we say Holy Spirit or Spirit of Separation, it is in reference to Christ. If we say, the Spirit of God, it is in reference to Christ, for there is only one God, one Mentality,

one Belief System of Persuasion, one baptism, One High Priest, one Justifier (Eph. 4:4-6).

That brings us to why the Christ came. He came to heal us, to restore us, and to make it possible for us to stand before a just God, justified, restored to innocence. He came and He laid down His life and shed His precious blood that by that blood we might be washed and cleansed of our sins and failures in keeping the laws of God, that we might be redeemed from the imprisonment of the Satanic mentalities of this world. He came as our Older Brother, our Kinsman and Redeemer to restore us to racial pride, and by His stripes and by His blood, we are cleansed and washed of all our sins, and thereby, Satan is defeated! He came and He recovered all the authority of the Adamic race that the first Adam had lost. Hence, He is called the Second Adam, and if you are in Christ Jesus, a part of His Holy Communion, then His authority is your authority and you are in Him and He is in you. So the Scripture says,

> "**For God** [the Everliving God of the Scriptures] **so loved the world** [cosmotic order - the world order that He had made in the beginning] **that He gave His only-begotten Son, that everyone** [of the Children of God] **being persuaded in Him should not perish, but have everlasting life. For God did not send His Son into the world that He might judge the world, but that the world** [the orderly arrangement, the cosmotic order of decency that God had made in the beginning] **might be saved through Him. The one persuaded in Him is not judged, but the one not persuaded** [all those stiff-necked, rebellious, and perverted

children] **has already been judged'"** (John 3:16-18 AST).

These are those who, in spite of the clear warning, seek to love the Satanic world order. But John said, **"Do not love the world nor the things in the world. If anyone loves the world, the honorable brotherly love of the Father is not in him"** (I John 2:15 AST). Jesus said, **"'I petition concerning them; I do not petition concerning the world, but for those whom You gave to Me, for they are yours'"** (John 17:9 AST). Christ did not come to change the Just Judgments of God wherein perverts are concerned. Far too many have missed their Bible lesson of Genesis and failed to understand that when Adam and Eve fell, Satan set up a degenerated world order, so much so that at the time of Christ, the Satanic mentality was the ruler of the world. Today, the majority of our kinsmen continue to seek to live in the Devil's world, and refuse to come out from among that Satanic system of government.

Christ did not come to condemn this world because this world had already been condemned by the Word of God. After the fall of the first Adam, men perverted the laws of Divine Establishment and Order, they perverted the home and the family, they perverted the rulership of the patriarchal system, they race-mixed, they mongrelized, they murdered their children, they exalted women above men and made gods of them, they worshipped themselves, they took all the worship that was due the Living God and perverted it. Homosexuals, male and female, are perverts because they pervert the laws of Divine Establishment and Order. They pervert the laws of nature as testified to by the Scripture.

That which men call the laws of nature, as confirmed in the Scripture, are those institutions and laws of Divine Establishment instituted and set in motion by Almighty God. If you pervert the natural order and you refuse to live by the natural order as God has ordained it, you are a pervert. All the practice of unauthorized, phony religion will not save you. You will fall into the hands of an angry God.

Let us look for a moment at what the real will of God is. When a man and woman have been cleansed, washed white as snow by the blood of Jesus Christ and restored to that child-innocence so necessary for entering the Kingdom of Heaven, when they have come to the Living God as a child, that is, an obedient child, a loving child, then it is God's perfect will that all of His children in Christ Jesus fulfill their duty and destiny in the keeping of the laws of Divine Establishment and Order. It is God's perfect will that men and women enter the Divine Institution of marriage and produce children and establish a household.

Therefore, God Himself, instituted and was the first to give into marriage, or the Divine Institution of Marriage. God gave this institution to Adamic man and woman, and marriage is for adults, it is not for children, it is an adult institution. It is for the mature, not the immature. Now God Almighty decreed order in the Adamic home, in the household and the marriage, by setting the man, authoritatively, over the woman. The man is the priest of the home, he is to rule and reign his home in Christ Jesus. The woman is to be submissive to the man and his judgments and to help him rule his home in Christ Jesus, (even to calling him master). Now we are talking about children of God,

believers, and God's perfect will for His family. The Biblical precedence for man's rulership of the home is made clear throughout the Word of God. Adam was created or formed first and the woman was taken out of him. In the transgression, both fell, but Adam was not deceived. All of these statements are statements of hierarchy and authority. As I said before, in the example of father Abraham's establishment of his family and household, Sarah called him lord.

Someone may say, "Well Pastor, isn't that *Old* Testament teaching?" Indeed it is, but it is also consistent with the same teachings of the New Testament. In the New Testament, a woman is expressly told to be in subjection to her own husband (Eph. 5:22). A woman is described as the weaker vessel. A woman is not to usurp the authority of the man under any circumstances, not in the home or in the Church. A woman is expressly said to be saved by child bearing (I Tim. 2:15). A woman is to remain silent in the Church of God, and all that a woman may do or say must be done under the authority of a godly man in the Church of God. For a woman to usurp the authority is to pervert the laws of Divine Establishment and Order.

Therefore, the true Christian Separatist faith does not pervert the laws of God, but rather establishes the laws of God. Therefore, in the New Testament pattern of Church Government, no woman may hold the office of an elder or of a bishop or overseer. According to Scriptural precedence, the highest aspiration in the Government of God that a woman may attain unto is that of a deaconess or a servant of the Church. A woman may not, according to the Scripture, administrate authority over men, not in the home,

not in the Church. To do so is to dishonor the laws of God and the order of decency of Divine Establishment. Therefore, while a Separated woman is duty-bound as a believer to be a witness to the truth that is in Christ, she cannot hold a ministerial office wherein she usurps the authority of a man. For a woman to do so would be to dishonor the men whom she holds authority over, and show them to be effeminates, a custom that we do not have in the Church of God (I Cor. 11:14-16). Moreover, such a woman shows herself to be indecent, and because she is a perverter of Holy things and a hypocrite, such a woman is more vile than the lowliest whore in the nastiest brothel. Christian law demands the keeping of the laws of Divine Establishment and Order, because Christian law is the Order of Decency, and to break and pervert the laws of God is to be indecent.

The pagan religions all had female priestesses and oracles, but the Israelites of God do not and never shall. There is no precedence in the Word of God for a woman usurping the authority of a man. For those who will compare the Israel of God to the ancient phallic worshipping cults of Baal, they will see clearly that the fact that the Israel of God never had a female priesthood is one of the distinguishing characteristics that separates the Israel of God from Baal-worship. That which we see in the Judeo churches is nothing but the reemergence of Baal-worship, in principle and in fact. Now you will notice that both the home and the community Communion of Christ are both under the authority of the Government of Christ for real Christians. You will notice that the offices of the Government of Christ are divided by responsibility and have their respective jurisdictions according to the Word of

God. You will notice that whether we are talking about an elder or a servant of the Communion, part of their qualification is to have ruled and to be ruling well in their homes, to have authority over their wives and children. You will also notice that they must have believing children before they may ever be invited to rule and reign with Christ in the Community Body. So the scope of God's Government reaches from the individual child all the way to the ruling overseer. And I want you to notice that God's Word is extremely specific about His Government and what is required of those who participate in His Government.

God has not left to chance or to phony Christian Church counsels or to arrogant individual men the writing of the instructions of His Government. God's Word sets forth in its totality precisely what constitutes the order of decency in Christ Jesus. But, my friends, I am going to tell you today why men and women fail to enter the Kingdom of God. They fail to enter because they do not believe it unto obedience. They fail to find and see it because they will not obey it. Most deceived religious people are very focused upon fulfilling their duty to God as defined by the first four commandments, and this deception may be attributed to the Judeo perverters of this world. But I am going to put this as plain as I can. You can cry and lament and tell God that you love Him and be piously religious and deceive yourself into believing that you are keeping the first four commandments and fulfilling your duty to God. But if you fail to keep the last six commandments which define your duty to your race and fellow man, then you are manifested a hypocrite and a liar. If you are not walking with your brothers and loving those brothers whom you

can see with your physical eyes in this life, then how in the world can you love God Whom you cannot see? Most people are religious but utterly lost to the Communion of God! This is exactly why their Christianity is based upon the Churchianity and opinions of preachers! This is exactly why they will not read their Bibles to find out what their Bibles actually say, for if they did, the Word of God would destroy their illusions and their ability to make excuses and to lie to themselves! The Book of Jacob declares that the Word of God is like a mirror; that when we look into it, it shows us our true character and our true face. Most religious people are not, however, forgetful hearers who have actually looked into the Word of God, but they are rather people who have never actually heard the Word of God, and so, in this society, we have ungodly men, most pursuing a materialistic, plutocratic philosophy, passing their allotted time in illusionary pleasures. But, believe it or not, most men are religious, and some have come to embrace very close counterfeits of the truth. Some are even racially conscious. But still, because they did not fulfill all of the law in Christ Jesus, when they die they will fall into the hands of an angry God.

But beyond the problem of godless and cowardly men, there are the ungodly women, walking unruly. Many are very decent by the world's standards. They are virtuous and hard working and they believe that by those things they honor their marriage vows, and they claim to be married in Christ, but the truth is, if a woman is disobedient to her husband, attends and gives money to a counterfeit religious organization, that woman is not fulfilling what it means to be decent or what it means to be married in Christ Jesus, and the only

thing that such a woman can look forward to is utter damnation and in her lifetime the damnation of her children. And here is the point: God has decreed in the Christian state the very best government that white men or this world can possibly know, for the Constitution of the Christian State is the New Covenant of the Lord Jesus Christ, the faith, the persuasion once and for all time delivered, and so the problem is not that God has not met the needs of His people, but that His people, who are called by the Word of God to His Authority, will not hear or obey His Word. That makes them enemies of God and that makes them making war against God. So I am going to tell you the truth: Most of the people that you will ever meet in your life may be shown to be nonbelievers of the Word of God. So if you are wise and you have fear of God before your eyes, you will wake up and realize that the Good Message of the Government of God is for the remnant whom God is still calling; it is not for the majority, because the majority of religious people are now operating under the mentality of the slavery of the antichrists. They have taken the mark of the beast in their foreheads, and they have no hope to escape damnation but by the believing of the Word of God in its full contextual teachings. But most are not going to do that because they are arrogant, competitive. They have no fear of God before their eyes. They are perfectly willing to teach contrary to explicit statements stated in the New Covenant. Here is a good rule for preservation: If a man professing to be religious tells you something, you get the Word of God and you check him out. If his statements contradict the Word of God, that man has called God a liar; and here is the wisdom, Flee

the very appearance of such evil. Those who fail to come into the Communion of the Separated Ones and be of one mind and one accord will be damned. In fact, they already are, and if you doubt this statement, for your sake and your families' sake, read the Separatist booklet *The Christian Separatist Standard of Unity and Christology.* You will find that your very salvation is dependent upon your being in total agreement with the Living God.

Now let us turn our attention to look at what the perfect will of God is for women under the New Covenant of the Lord Jesus Christ. The Bible demands that decent women be in subjection to their own husbands. The implication of this as taught in the Scripture is that the patriarchal system is still in force and still in motion, the man is still the head of the house, that is, where he rules and reigns with Christ, and ladies, make no mistake about it, by your submission to a godly man, that is where and how you rule and reign with Christ. If you do not have a godly man, you better be finding a Separatist Communion. Moreover, the Word of God describes the man as the savior of the body (Eph. 5:23); this principle too demands that the woman be in subjection to her husband, for how else can a man be the savior of a woman's body if she does not do what he tells her to do? Therefore, wherein salvation is concerned for women specifically, we have both the spiritual principle and the physical principle stated. It is God's will that the husband, the man, be the savior of her physical body by the woman submitting herself to the rulership and leadership of the man, and if the woman shall do that, then and only then does she have the promise of the salvation of her spirit-mind in Christ, and it is

speaking spiritually when it says that there is neither male nor female in Christ Jesus.

If a woman is going to be in Christ Jesus for the salvation of her spirit, she must be in subjection to a man for the salvation of her body; that is the precedence and the order as taught in the Scripture. The Christian Scripture is so emphatic on these principles that we may say without fear of contradiction that a woman cannot be saved unless she has a godly man and is in subjection to a godly man, and as Christian Separatists, this is exactly what we teach, for that is the Scripture. This was the order of the Divine Establishment in the beginning and this is the order of the Divine Establishment in Christ Jesus. Now when I say godly man, I am speaking of a man walking, abiding, and keeping the teachings of Jesus Christ; I am not talking about an antichrist who calls himself a preacher while manifested by the Word of God to be an antichrist.

Now I am well aware that women do not like to be told that under the law of God they are children all the days of their lives, and I am well aware that they do not like to be told that there is no salvation for them except they find a good, godly man first. Ungodly women do not like to be dependent upon men for anything, let alone their eternal salvation in Christ Jesus, again, that is, ungodly women. The women of the Adamic species, for the most part, are the ones responsible for most of the false religion in the world today; they are for the most part the leaders of race-mixing and the murder of the Adamic race. That is the way it was in the beginning and that is the way it is today. They are sensual in their nature and therefore prone to capitulation and compromise. Their sensuality and pacificity is a wonderful attribute in Christ Jesus, but

when those attributes are misused and given to Satan, they become one of the greatest dangers to the Government of Christ and to the very survival of the White Race.

So the man is the savior of the body and the woman shall be saved in child bearing. That is the law of Christ. If you are a young woman, separated, then you need to be on the lookout for a godly man so that you might be able to measure up to the stature of Jesus Christ, for you will not be able to do it yourself because Jesus Christ was a man and unfortunately, a woman does not have the equipment, and let us be absolutely emphatic about this, I can assure you that God is always spoken of in the Greek, or in the Hebrew for that matter, in the masculine gender. God is a male Mentality. The man was the one created in His Image. Moreover, every anthropomorphism spoken of God in the Old Testament is always in reference to God's male body in Jesus Christ.

All of this feminism comes straight from the Babylon of mongrelization of the mongrelized India, and I also want to assure women that in these days of the latter reign of the Mentality of God, all women who refuse to walk in obedience to the expressed Will of God as stated in His Word will be damned. There are no exceptions. The flood of mongrelized, Satanic thinking and religion, in other words, the reign of antichrist, has now flooded over the White Aryan nations to such an extent that more women are being damned than men through mongrelization. This has always been the truth of history. Those who promote the unisex perversion and the feminist philosophy in America are known to be mongrelized Jews and other mongrels. At this hour, a woman has a clear choice: she can either

believe God or she can believe the Devil himself. It is really that simple.

Someone may say, "Well, Pastor, why is God so hard on women?" First of all, He is not hard on women, He loves His female children, and He is not willing that any should perish (II Peter 3:9) but that all should come to a saving knowledge of truth (I Tim 2:4). The reason that God has set in order His Mandates of Divine Order and Decency to be observed by the Separated Ones is for the preservation of His people. Now that is a true principle. The reason that the woman exists in the first place is for the perpetuation of the Divine Race of God that she might have children; thus a woman shall be saved in childbearing (I Tim. 2:15). And, of course childbearing requires that she be in submission to her man, and we are talking about a godly man. I am well aware that unregenerate men will have sex with anything, but a godly man will not. Moreover, a godly man should not have sex with a woman who is indecent by the standards of God's Word. A lot of women entrap men in that fashion of being unequally yoked together, and every godly man and especially every man called to labor in the Word should have turned his passions over to His Master. Do not think that there is no diabolical reason behind the constant bombardments of pornography and the lowering of moral standards. Lust and so-called love has long been the greatest tool of the Devil against the White Race and against the Government of God. So we are talking about godly men. We are not talking about the world's standards of beauty wherein silly women are concerned, or lustful men.

Therefore, this principle of the godly submissiveness of women insures the salvation of

the Divine Race of God on earth. Thus, the greatest principle in true separated Christian marriage is the principle of the preservation of the race. All else is secondary to that principle. So under Christ, God tells women that if they are going to fulfill their destiny, their God-appointed destiny, they must live and walk according to the laws of Divine Establishment and the Order of Decency. It is, therefore, God's manifest will that a white Aryan woman marry a white Aryan, God-fearing man, and that they establish a household and raise up God-fearing, white, Aryan children and that they participate in their local communion.

Now in case there is anyone here who has not noticed, there is a difference between men and women, not only physically in their bodies, but also in their psyches or psychological makeup. So the principle of ancient Israel, the law of ancient Israel that has decreed that women are children all the days of their lives is still a law of the Christian covenant. True Christian women under the law of Christ are still children.

The terms *woman*, *female*, and *child*, are synonymous in the Word of God. A child, a woman, is one who is under adult authority, mature authority. So God has not changed His laws of Divine Establishment and Order. Women are still under authority, and I want all women to understand and know that godly men's authority is decreed by Almighty God. So what we are saying here today is that the spiritual realities of Jesus Christ have not done away with the physical laws of Divine Establishment and the Order and Decency as set in motion by Almighty God. So the Christian Scriptures reaffirm that the man was created for the reputation of Almighty God and woman for the

reputation of man. Now my friends, I know that the Judeos translate reputation as glory, and that is a theological euphemism. But what is the reputation of Almighty God? The reputation of Almighty God is all that is reputed of Him, all that is said of Him in His Holy Word. That my friends is why Adamic white man was created - for the defense of the reputation of Almighty God, all that is God.

Now what does the Bible mean when it says that woman was created for the reputation of white Adamic man? It means that the woman was created for all that is said of white Adamic man, all that is reputed of him in the Word of God. As man is created to glorify, defend, perpetuate, honor the Living God, so woman is created to do the same for man. So here we have a precedence of law and we have a hierarchy when it comes to worshipping God. God Almighty has put between Himself and women the man. By implication, this demands that if a woman is to fulfill her destiny and duty to Almighty God, she must have a godly man to whom she is in subjection. All decent women must understand and be taught this truth of God's Word because their salvation is dependent upon the kind of man they give themselves to. A woman's salvation is dependent, both physically and spiritually, upon decisions that she makes in life, for if she takes the wrong kind of man or the wrong man, she will be damned with him.

The white woman who marries a mongrel will produce mongrel children, which is an abomination to the law of God. A white woman who marries a white man who is of a mongrel mind will go into deception along with her husband. Now there is no remedy for the sin unto death. John tells us not to pray for those who have committed sin unto death,

which is race-mixing. But there is a remedy for women who have been unequally yoked with nonbelievers of the White Race and that is the blood of Jesus Christ, as it is applied freely by the communion of Christ.

Now it is a self-evident fact that for women to be under the authority of men, they must make a decision of their own self-will. So this brings us to the necessity of the communion of Christ wherein godly women are concerned. Let us begin by discussing this aspect of women's salvation by first teaching and stating what God's perfect will is for the female Adamite under Christ Jesus. As it was in ancient Israel, so it is in modern Israel in the Separated Ones and the community of the Communion of Christ, that little girls be raised by a godly father and that they be taught the laws of God, both of the natural world and of the spiritual world, that is to say, the laws of Divine Establishment as well as the spiritual principles of the doctrines of Christ; that they be taught the righteousness of the Living God, that is, the right thinking of the Living God and His Holy Judgments and His norms and His standards of righteousness, and part of this sacred teaching to little girls must include their duty as women and their purpose for existence and their decreed destiny, and I want the Separated Ones of God to know that the only way that this is possible is to teach them God's Word the Bible, for in there we find all the laws of God and all of the precedence for correct thinking and right behavior in the Christian State.

Therefore, precious little white girls should be taught that all that they have belongs to the Living God. They should be taught that everything about

them is a gift of the Living God from the Father of Lights up above, and when it comes to that all important aspect of sexual self-consciousness, they must be taught as the young women of old Israel were, that their sexual gifts, and especially their virginity, is a gift that was given to them to give back to God. They need to be taught how holy, how separated their wombs are to the Living God. This can only be achieved by teaching them their true racial identity as the chosen children of Almighty God. It is in the perfect will of God that the young Israelite woman, by the approval of her parents and the society, enters marriage with an Israelite man of pure lineage and that she makes a decision of her self-will from that moment forward to leave the authority of her father as he gives up his authority to her husband and that she submit herself to the authority of her godly Christian husband. It is then that these two Separated Ones come together to become one flesh and establish a household for the glory of God and that they together grow in the grace, the favor, and knowledge of God and that they participate in the society of the called-out ones, the Body Politic of Jesus Christ, and that they contribute to the establishment and the perpetuation and the furtherance of the Government of the Living God here on this earth. And it is God's perfect will to bless this holy union with male and female children that those children might be a blessing to their parents in their aged and declining years. And so we are talking about God's perfect will for women under Jesus Christ, the New Covenant.

Now it is self-evident that part of a little girl's training must be that she is told the good message of the cleansing blood of Jesus Christ. It is therefore

God's perfect will that all young women be Christians before they ever enter marriage, because you see, my friends, there is the Separatist principle that marriage is for adults, and as I brought forward earlier in this discourse, when it comes to men, they are not men by definition of the New Covenant of Jesus Christ until they have been restored to the child-innocence, having been washed and cleansed of their sins by the blood of Jesus Christ, and I have made it clear that men are not men or mature until they are Christian men having accepted their destiny and their duty in the Covenant of the Lord Jesus Christ. Now the same thing is true when it comes to young women. Women are legally children all the days of their lives, but they are required to achieve a level of maturity that we call womanhood, and for the young woman, this is achieved in exactly the same way that men must become men and that is to submit themselves to the rulership of the Lord Jesus Christ as their personal Lord and Savior. So since marriage is for adults or for the mature, no self-respecting, decent, young woman is going to want to marry a child or an immature man, and no righteous, sane man, is going to want to marry an unbelieving, stiff-necked, incorrigible child. What is supposed to be important to men and women of Israel of the true Church of the Separated Ones of the First Born is their duty and the fulfillment of their duty to the Living God.

The Word of God sets the precedence for our priority when it says to **"seek first the government [of God], and His Justice, and all these things will be added to you"** (Matt. 6:33 AST). But the world system of the antichrist lies to people and encourages people to put the cart before the horse,

to turn their priorities upside down, but the Word of God expressly states the hierarchy of what is supposed to be most important to you and I, and it tells us our duty, and our duty is to seek first, first and foremost, the Government of God and the Justice of God and then He promises us that all the other things will be added to us. Young men and women are not to be led by their sexual passions or their appetites. They are to be led by the principles of the Word of God.

Now if a young man and a young woman have been led by the law of Christ, they will have sought Christ as their personal Savior. They, therefore, will have entered the communion of the Lord, to be eating of the Lord's table, and they therefore will be in covenant with the Lord Jesus Christ. Now what does it mean to be in covenant with the Lord Jesus Christ? It means to be restored to communication with God our Father. It means that we have accepted Christ Jesus as our appointed Savior. We have accepted Jesus as our Leader, as our King, as the Captain of our salvation, and we are in covenant with Him, and we have affirmed that we believe Him and have presented ourselves to Him in our reasonable service as His slaves, to be part of His household. We have joined His family and He is the head of that family. The Body Politic. The Society of the Separated Ones. Those called out of darkness into His marvelous light. Now I want you to pay close attention: if we are in covenant with the Lord Jesus Christ, we are a part of the New Creature, and the New Creature is the society of the Separated Ones. The New Creature is the *ekklesia,* the Body Politic, the Church. It is a political body and congregation of Separated believers that constitutes a political body, a Government, and it is called the

Wife of God. We Christian Separatists call this Church, this Body of Christ, the Second Eve of God, because Jesus Christ is the Second Adam of God, and the Church is His wife, the New Creature. This Government of the New Creature is synonymous with the Israel of God for it is composed of the self-same racial body type of people and it constitutes the communion of Christ.

It is, therefore, very important for the Bible student to understand that we as individuals do not constitute the New Creature. You as an individual are not a new creature, you are only a part of the New Creature as you are in Christ Jesus as part of the Communion, and let no one deceive you: only God can put you in that Communion. Now how does God put people in His Communion? Like everything else decreed for us in this life, it is by His Living Word and no other way. In practical terms, those who are truly seeking God, God will lead them to finding the truth, and if they have found the true Communion of Christ, they will comply with the Order of Decency of God's Government. Now I am not talking about joining a Church; I am talking about becoming part of the Body of Christ, and there is a big difference. And so the New Creature is not in reference to you and I as individuals, but only collectively as the functioning Body of Christ on earth. The New Creature is the Wife of God, the Second Eve of the Second Adam.

The New Creature is a political body or Government, popularly called the Church. Therefore, when you enter the communion of the Separated Ones, you are marrying Christ. Or another way to say it is that you are becoming part of a political body that is married to Christ, that is, God's wife, and it makes no difference whether you

are a male or a female. That is the intent of what it means to cut covenant with Jesus Christ. As the political government of Old Israel was married to the Living God, so is the political body and communion of the New Covenant married to the Lord Jesus Christ. The fact that we enter covenant with the New Creature and become part of the New Creature, the second Eve of God, the wife of Christ, does not alter the laws of Divine Order and Establishment in the physical world. In fact, it establishes them. God speaks of the New Creature in tender and loving words and description. He speaks of the New political Creature in Christ Jesus as His espoused Wife and God Almighty gave through His Word the feminine gender designation to His Church that we might understand that so long as we are in these physical bodies on earth as the militant church in struggle and at war, we are God's children, for all females are children, and the intent of God designating the New Creature as a woman is to convey the idea to you and I that we must submit ourselves to the Christ and come to Him as little children, obediently believing. For thousands of years, men referred to their governments and their ships in the feminine gender. To this day, the Russians, under Greek Orthodox teachings, still refer to their country as Mother Russia.

Therefore, the Word of God can say that for those who are in Christ Jesus, there is neither male nor female because He is talking about a political entity, a called-out, Separated Society of believers. I realize that the self-damned Judeos churches, who twist the Scriptures to their own damnation, teach that individuals are the New Creature, that when you enter Christ, you become a new creature, but

or new creation

like in so many of their perverted teachings, they emphasize the wrong thing. The body of the Church of the First Born, the society of the Separated Ones, is not a feminine body with a head of Jesus, decapitated, and imposed upon it. It is not the hideous creature that the Judeos would have you believe. The Body Politic of Christ is an entity unto Itself, for it is a New Creature and it is the obedient Wife of Jesus Christ.

Therefore, to be in covenant with the Lord Jesus Christ and to have entered the New Creature, the Separated Ones, one must accept the Covenant of the New Creature which is a covenant of marriage to the Lord Jesus Christ. There is no more tender or beautiful picture of love in the Word of God than that of a young woman entering marriage with a man and this is why God chose to designate the Body Politic in the feminine gender, to convey the idea, forever, that the New Creature, the Body Politic, is the only group of people that enjoy this tender relationship with God as His children, for in ancient Israel, when a woman married a man, she continued to remain legally a child under subjection to her husband all the days of her life, and even though it became her blessed, covenant privilege to produce children of that union and legally no one else's, and she became a recognized woman or lady in this fashion through child bearing, and no matter how many children she produced she still remained, legally, a child under the law.

So today, it is our blessed privilege as a Separated Society of Christ to travail in producing children for our Lord, and therein, my beloved Separated friends, is the purpose and duty of the Church. So we see that God Almighty has written in the physical bodies of women the laws of God, for

women are the very picture of the Church of God. As a woman obeys the laws of Divine Establishment and Order and is submissive in her married life to her husband, she is the very picture of the Church of God on earth. In the legal requirements and the physical body of the female Adamics, God has vested a perpetual memorial to the truth of His Holy Word. The mongrels and those of perverted mentality of this earth may seek to destroy the laws of God and the family of God, but we, as the called-out Society of Christ, know that they will not succeed, for God has written His laws throughout creation; He has written them in the stars; He has written them in chemistry; He has written them in our physical bodies; the truth of God's eternal laws is memorialized in all that God has written.

Therefore, every godly woman that accepts the Laws of Divine Mandate and Order and Establishment as written by the hand of Almighty God to obey them and to live in the Law of Almighty God, glorifies the Living God. Every godly woman that honors her husband according to the Word of God is a walking memorial of the Eternal Truth of the Living God. Every Separated household that lives according to the Living God is the first manifestation of the Church or Government of God on earth.

So you see my friends, God has not made salvation difficult for women, for He has written the gospel in their own bodies. And so there is nothing more precious on the face of this planet than a godly woman. There is nothing more glorious than a godly woman. On the other hand, there is nothing more vile, more repugnant, or more ugly than an ungodly woman. There is nothing more detrimental, more destructive to the Church of the Living God

and the White Race, than an ungodly woman. Most of the evil that we see in this world in the area of false religion is the product of a feminine mind. According to history, in ancient Babylon, it was Semiramis, a whore, who degenerated and began the false religion of Baal-worship. In Greece, it was women who were the oracles or fortune tellers, and they took their trade to Rome. Historically, it has always been women who usurped the worship of the Living God. But for those separated unto the Living God, I need point no further than the Book of Genesis unto the treachery of that evil child, Eve.

Now we have said today that it is God's perfect will that before a young white woman participates in the privilege of marriage, which is the privilege of the mature, that she be a mature young woman by having first submitted herself to the Lord Jesus Christ and fulfilling her reasonable service to the Master. The reason that this is true is not simply and only for the individual salvation of the young woman but for the good of her earthly husband and his household and for the race. Whether man or woman, the reason that God wants you to be saved is that you might affect the salvation of others. I realize that the Judeos preach a salvation divorced from the salvation of the Church and the White Race, and their twisting of the Scriptures is now resulting in their apostate churches ARE becoming more and more mongrelized. It is an abomination unto the Living God to bring a mongrel into the Congregation of the Lord, and it is the same violation of the same law regarding Adamic society to bring a mongrel either into existence through race-mixing or by adopting a little mongrel. The reason for the evil that we see must be laid at the door of the criminal pimps in the pulpits! These

people who are destroying the true knowledge of the Separated Society of the Body Politic of the Living God are criminal blasphemers. Most are beyond redemption because they have crossed over the laws of God. They are not worthy to eat of the Bread of the Children, for they are damned.

Now, I want to remind you that the Bible tells you not to think of yourself more highly than you ought to think. And this admonition especially applies to women. Now it is true that we do attain unto personal salvation as we accept Christ Jesus as our personal Lord and Savior, but if you will check the record, you will see that that is only the beginning of the walk on the path of salvation; you will find that the rest of the days of your salvation are dependent upon how you fulfill your duty to your fellow kindred. If you are Christ's then you have a duty to perform in the Communion of Christ - that is part of God's will for your life and, therefore, part of your salvation.

Now just like the rest of us, when a young woman enters covenant with the Lord Jesus Christ into the Political Body to be a part of the New Creature, the Lord Jesus Christ becomes her head, her authority, her husband, and all that she has belongs to Him, and this includes her virginity and her ability to bear children. Therefore, a Christian woman in covenant is constrained by the covenant of Christ to marry only a Christian man who is acting according to the covenant as the agent of Jesus Christ on this earth. In other words, the man must be in covenant with the Christ as well. Now modern conceptions of marriage do not convey all that is taught in the Word of God, in fact, they are quite misleading. In the legal sense, as far as men are concerned as being a part of the New Creature,

it is correct to say that they are also married to Christ or in covenant with Christ in that they too are children of God, and as such are under the authority of Christ as part of the Body Politic all the days of their lives, but the New Covenant requires more for men than it does women. Men are required by virtue of their birth to attain unto the status of the full measure of Christ, to have the Mind of Christ, to be Christed; men are to attain unto the stature of Christ and Christ was a man; men are to become the brothers of Christ by receiving the character of Christ; men are to take the rulership of their homes and of the Church in behalf of Christ; they are to aspire to the degree of elder and bishop or overseer if God so favors. They are to act as the saviors of the Body Politic. They are to be as faithful friends, trustworthy friends who protect the family of God. In the absence of our Master they are not to prostitute the Master's wife or abuse the children of God; they are to judge as God judges, to administrate in the authority of Christ, to watch over, to oversee, to protect and to defend. They are to act as the Master's trustworthy brethren. They are not to lord over God's family or make merchandise of God's family, but are to promote the preservation and thereby the salvation of the family of God. They are to keep the door of the society as faithful watchmen, and for this reason, God has given them the authority to open and to shut.

Now here it must be said and understood that women are required to enter marriage to the Lord Jesus Christ and become part of the Body Politic and obedient servants as such, but they are not required to aspire unto the stature of Christ because Christ was a man. Moreover, in the physical, women

are not physically constituted or emotionally equipped for such an aspiration. It, therefore, becomes important for men and women to accept their gender destinies, as God has ordained, and to fulfill their duty to God as laid down in the pattern of the Order of Decency in the Word of God. To fail to do this is to pervert the will and the law of the Living God.

So we may see, my friends, that we cannot divorce the manifest laws of God in nature from the written laws of God in His Holy Word. God Almighty has ordained His Divine Laws of Establishment and Order in our very genes and chromosomes and in our very physical bodies, and His laws of Divine Order and Decency are written for our Government to govern that which He created in the beginning. All that God has decreed and created and set in motion has been done for our happiness, our contentment, our fulfillment, our preservation, our perpetuation, and our salvation. Blessed and holy is the authority of our God; His judgments are righteous and true; His justice is certain; His love and mercy toward us is our only hope of life, whether in the present time or eternity to come; beside Him, there is nothing else.

Earlier in this discourse, we stated that it was God's perfect will that both men and women be first married to the Lord Jesus Christ by having entered the called-out Society, and thereby to have matured in the favor and knowledge of the Lord to the degree of maturity that they can best execute their duties and responsibilities in physical marriage. We have brought forth the fact that, under the Government of the Lord Jesus Christ, it is the will of God that believers marry believers and that they be not unequally yoked together with nonbelievers.

Now the term "nonbelievers" and the admonition to be not unequally yoked with such, certainly includes all of those man-like races who do not have the capacity to be believers. Since racial preservation is the highest principle taught in positive Christianity of the New Covenant of the Lord Jesus Christ, in reference to the physical lives of His royal family on earth, the Church Militant, the Church of God, then it is self-evident that the highest application of the principle is in reference to the racial preservation and salvation of the race of God, but it also carries a secondary application when it comes to the incorrigible children of God, who have refused to bend the knee and recognize the God-ordained authority of Jesus Christ of Nazareth.

So it is the expressed will of Almighty God that believing women marry only believing men and believing men marry only believing women. Therefore, we may say that this is the perfect will of God. Now we must all acknowledge that the perfect will of God is not always observed in this world, and later in other discourses we will discuss the exceptions to this principle as God has ordained, and we will discuss the remedies and treatments for those failures that occur in the permissive will of God.

Now I am talking about circumstances such as a God-fearing, separated, young white woman marrying a young white man of a mongreled mind and disposition or attitude. In such a situation, the children of such a union are separated or sanctified by the woman fulfilling her duty to the society of the Separated Ones and remaining loyal to the communion table of the Lord Jesus Christ. Otherwise, the children of such a union would be bastards as is a union of nonbelievers, whether they

be mongrels or white incorrigible children. The Word of God is God's Bread of Life and it applies only to the racial children of the Lord Jesus Christ and it is not to be given or applied to dogs or mongrels. I want to say that it is highly unlikely, according to the Word of God that those who have sought first the Government of God and all of His right thinking would wind up in less than perfect circumstances, that is in those things that can only be called the permissive will of God, because God Almighty always makes a way for His people and provides for all of their needs; the promise is that if we will seek first His Government, His justice, that all of these things would be added unto us, and that includes, for you young men and young women, a decent husband or wife. For those who trust God, God never disappoints and believing God is how we come to right thinking and right actions.

Let us now turn our attention to the discussion and understanding of separated marriage. We have brought forth the biblical fact earlier in this discourse that marriage is a Divine Institution and was set in motion for the Adamic race by Almighty God as a part of His laws of Divine Establishment and Order and Decency. We have brought forth the fact that the Lord Jesus Christ Himself recognized marriage as a Divine Institution. We have stated that the Scriptures teach that God Almighty Himself was the first to give in marriage and that also it was God Himself who married the first Adamites. Now the question arises, How did God marry the first Adamites? He willed them so and pronounced them so. Now the implication of this as taught in Scripture is that only God can marry Adamic men and women; in other words, marriages are made in Heaven, not on earth. Adamic men, as priests in a

society, may give in marriage, but it is God who does the marrying. Paul speaks of marriage as a mystical, spiritual union, virtually unexplainable to men how two can become one flesh, but we do know that in the spiritual dynamics of marriage, it is God who mystically joins the two into one. We know that the sex act is a memorial to this great truth and God pronounces holy and separated the bed of those given in marriage, and we know from modern science and the study of biology that it is both the man and the woman that contribute genes and chromosomes to the birth of a child and that, therefore, as two, do indeed produce one flesh.

So in summation, we may say that marriage is a Divine Institution of Adamic man and for Adamic men and women, and that it is God Himself who marries or makes one of a union. We may also say that men do not have the power to marry, they only have the power to give in marriage, or recognize marriage. There has never been, according to the Word of God, a single minister or justice of the peace who has ever married a single couple, for it is God who does the marrying and men who do the giving.

So let us talk for a moment about the giving in marriage. Let us turn once again to the society of ancient Israel. In ancient Israel, when a godly man had a daughter, he was responsible for that child and she was under his authority. All Israelite, godly fathers observed the laws of God and taught their female children the laws of God. When a man had a daughter in Israel, he knew that he had a gift that he would one day have to return to the Living God through the institution of marriage. He knew that in the perfect will and favor of Almighty God, he would have to give his daughter in marriage to the

building up of another man's or fellow-Israelite's family. He knew that that daughter would cease to be under his authority and that she would come under the authority of her husband to whom he would relinquish that authority and that she would become a part of her husband's family, no longer a part of his.

Now the antichrists of the world tell us in their blasphemous practices of marriage that you don't lose a daughter, but you gain a son. I want each of you to notice very carefully that according to the Word of God, that blasphemous, popular saying is exactly contrary to what the Word of God actually teaches. The truth is that you do lose a daughter, she becomes part of her husband's family. The truth is that it is sons that you do not lose and that is why it was such a great blessing in ancient Israel to have sons, for sons were with you all the days of your life, and when you gave a daughter in marriage she became part of her husband's family, and this, my separated friends, is the written and manifest Will of God and His Law. I point this out to you first because it is a very important principle, and second that you may know the next time you hear some silly whore or some pimps of the Judeo pulpits make such a statement, you may know what liars they are, for to say such things that directly contradict the Word of God is blasphemy of the Word of God!

Now I want you to notice carefully that the one in ancient Israel who had the first right to consent to give the daughter in marriage was the godly father, and this God-given right and authority was recognized by all the laws of God in the society of ancient Israel. Any violation of a young woman in ancient Israel was not only a violation against her

but it was a violation against her father's rights. Moreover, in the ancient Israelite society of the Separated Ones, the father had the exclusive right to give his daughter in marriage as he thought best for her, whether she agreed with him or not. So we see that the daughter under no circumstances could attain unto a legal marriage without the consent of her father, and while it is true that most marriages in Israelite society were arranged marriages, and that sometimes these marriages were arranged when the boys and girls were small children, and often they were made to construct alliances between families and sometimes they were made for the racial purity of families, but generally fathers gave their daughters in marriage in the best interest of their daughters. The point is that romantic concerns of young women were very much secondary and were considered quite a foolish reason for marriage. Israelite men and women were driven in their matrimonial arrangements and concerns by their duty to the Living God and the preservation of their racial society. As a result, young women were supervised very carefully, and there were standards of decent social contact observed that is virtually unknown in modern life.

Anyone who might think that the standards and morals of ancient Israel were restrictive and harsh should understand that the Israelites were observing the laws of Almighty God. They were observing the virtue and chastity of young women that they might fulfill their duty to God. They were protecting young women against their own immaturity and against the ungodly. Now it may shock a lot of people to learn that marriage in the Israelite society was a social act and not an ecclesiastical act. It was a civil service, not a religious service in the sense that

modern people understand religion. Thus, next to the father in authority in giving in marriage was the society itself, that is, the friends and neighbors of the father.

In ancient Israel, when a marriage was to take place in one of the small villages, it could last up to three days, and it was an occasion when all of the friends and neighbors, that is, all the folks who composed that society, were invited, for it was understood that their presence at the marriage was their endorsement, recognition, and consent to the marriage. To be invited to a marriage banquet and fail to attend was understood for you to fail to give your consent and endorsement and recognition of the marriage. So in this way we see that, in principle, marriage required the consent or the giving of endorsement of the society in which the couple were living. Thus, the people of the villages of ancient Israel were representing Israel and they took their presence at the marriage banquet very seriously. The most dishonorable thing that could happen to an ancient Israelite couple entering marriage would be for none of their friends and family to show up because that would mean that the friends and family and the villagers did not recognize their marriage.

Now we need to understand that in ancient Israel there was no artificial separation of Church and State. The State, Society, was the Church, the Congregation of the Separated Ones unto God. The religious practices of the Aaronian priesthood was the state religion. There was no separation between secular or civil law and the laws of God. So while it is true that, in the modern sense, ancient Israelite marriage was a civil ceremony with no need of the presence of the Aaronian priesthood, it was indeed and in truth a religious ordinance because it was

entered only under the laws of God and in the presence of the Church, and Church approval was mandated by custom. Therefore, all who sanctioned the union by attendance of the wedding were recognizing the marriage under the laws of God. So we see that marriage required the permission of the godly father acting in the authority and on behalf of Almighty God to give the daughter or son into marriage, and it required honorable witnesses, men and women honored in the separated and godly society to witness the union. It did not require an official, authoritatively speaking, from the king's government, nor did it require a priest from the ecclesiastical government. It was an ordinance of the people and of the congregation of the Lord, that is, of the Church, and it was an institution that had preceded or was more ancient and therefore superseded the monarchy or even the ecclesiastical priesthood. Remember, the Israelites were given a king and a monarchy in the permissive will of God. They really did not need it, but they wanted to be like the nations around them, and also remember that the Mosaic, ecclesiastical establishment was an insert to protect and discipline the children of Israel until the Christ would come and establish His Government.

What marriage was, and is, is the entering into a covenant or a contract. A solemn agreement of lasting importance. As the laws of God were the marriage contract between God and Israel, so too were there contracts executed for marriage between a man and a woman. Sometimes, they were extremely detailed and elaborate. At other times, they were rather simple and took for granted the social laws of God that were already in place. But at no time did a marriage contract between true

Israelites contradict the laws of Almighty God. It was understood that the laws of God, as administrated and overseen by the elders, were already in place in the society and were protection for both men and women. In ancient Israel, a woman did not get a marriage certificate, she got a contract, a prenuptial agreement that had already been worked out and that became binding on both her and her husband the night of her marriage.

From this, we may understand that marriage is a sacred covenant between a man and a woman that must be executed under the laws of God Almighty. We also see that it is God Himself who does the marrying or performs the mystical union. Therefore, men may only give in marriage, they cannot marry, and they must do so as they act in their God-given authority under the law of God, either as the father or as a witness of the society. We brought forth earlier in this dissertation that modern Israel, that is to say, the Separated Ones of the Society of Christ, are constituted as the Congregation or Society of Christ because they are in covenant or in contract with the Living Christ, and this contract is first and foremost a social contract, and God is therefore, in the truest sense of the Word, a Christian Socialist, and I am using the word "socialist" to mean one interested in engineering society, and I am here to tell you that God's Word is the greatest and most perfect social contract that has ever been written, because it is perfect, meeting every need of His Royal Family.

We have seen and understood that while the monarchy of ancient Israel and the priesthood did not survive the rebellion of Israel against the Living God, the people, or the society itself, has survived and continues today by the favor of God as the

Separated Ones of the Adamic race who compose the Society of Christ. We have brought forth earlier that the contract with the Living Christ required that His true children, those who have eyes to see and ears to hear Him, come to Him as obedient children, having their failures and disobedience washed away as white as snow that they might be justified to stand before a Separated and Holy God, and we have seen that the New Covenant is in truth a new marriage contract between the Living God and His people. We have seen that entrance into the covenant or contract with Christ is specifically limited to those of the Adamic children who are restored to innocence through the blood of Jesus Christ. We have seen that the term child under the law of God was not simply a biological designation but was as much a legal designation, and remains as such today.

We have seen that it is the will of God that all Adamic women be first and foremost married to the Lord Jesus Christ and be under His authority, and as a society, a nation, we have seen that the same thing holds true for men, though in the society of Christ, it is God's will that they go on into the full measure of Christ and become the friends of Christ and the Brotherhood of Christ to protect the Church or Society of the Living God. Therefore, it may be said that the administration of the society of Christ is the administration of the laws of Christ. Under the New Covenant administration contract with Christ, it is self-evident that the highest aspiration of an Adamic woman is to be married to Christ. That is, to be in contract with Christ as her Husband under His authority.

We as Separated Ones are not only married to Christ nationally as a race and socially as a society,

but we are married to Christ as individuals. Christ is all in all. This was the intent of national law in ancient Israel and it is the reality of the law in Christ. Now please remember that we are still talking about the perfect will of God. In order to increase your understanding, we must talk about the perfect will of God for men.

We have said that it is God's will for men that they enter the contract with Christ as innocent children, but then they are to progress and grow in the grace and knowledge of the Lord to become part of the Brotherhood of Christ. Thus, to be an elder is to be a brother of Christ. This is not only true as a racial designation, but it is also true as a legal designation under the contract of Christ. Once again, I want to return you to the laws and customs of ancient Israel. In ancient Israel, if you had a brother who had married and died or was killed, the law required that you take his wife and raise up seed unto his name. Now this was in addition to your wife, but since all separated ones must be Christians before they can marry, then the first wife of all Separated men is the Church, the Christian State. Now Christ is not only our older brother, but He is also the King, and we are the ones for whom He died and we, as the Brotherhood, are under contract to act in His stead and take unto us His Wife; we are to protect Her, we are to be the salvation of Her body, we are to raise up children for the Name of Christ. Now these are our spiritual duties and they take precedence over our physical lives. The Brotherhood is married to the State of Christ, to the Separated Society of the Living Christ.

Now with this understanding of the elder men of the Church who constitute the Brotherhood of Christ, let us look at the true intent and meaning of

Christian marriage regarding both men and women. Now again I want to remind you that we are speaking of the perfect will of God according to Christ. We stated the Separatist and Biblical principle earlier that marriage is for adults and not for children. When a Separated man and woman have come unto mature age in the society of the Called-out Ones, or the Separated Ones, and they have received their teaching and they have studied unto the approval of Almighty God, for knowledge is the way to maturity in the Separated Society of Christ, they are then thoroughly furnished to be able to fulfill their duty in the earth as mandated by Almighty God, and as they walk in the New Heaven, they are to participate in the bringing in of the New Earth.

Thus, maturity in the Separated Society is achieved by fulfilling our duty to Christ and by fulfilling our duty to our brethren through the Separated Society. Now a godly woman who has achieved deaconess in the Church will know Christ as her first Husband. A godly man who has achieved service as an elder, to have been seated among the brotherhood of Christ, will look upon the women of the Church as holy, separated women unto the Living God. When two such believers are given in Separated marriage, they enter covenant and contract with one another to fulfill their duties to one another under the laws of Christ and there is, therefore, established a line of covenant between them. As we said before, each of them are already, respectively, in covenant with the Living God. There is a respective female line of covenant with the woman and God and there is a respective male line of covenant between the man and God, and these

three lines of covenant form a mystical triangle wherein God Himself is the head.

Now I would like to bring it to your attention that in the geometric world of shapes, there is nothing stronger than the triangle, and so we have in Christian marriage the strongest union known to man in geometry, and certainly the strongest spiritual union in the universe. The mystical union that we see in a single or particular Israelite marriage is typical and indicative of the Separated Society of Christ. One is an earthly union and the other a spiritual and heavenly union of the Separated Nation. Thus, we understand that the true purpose for Israelite marriage is to afford Separated Adamic men and women the way and means to fulfill their duty to God, both in the Church of the Separated Society and in the physical world as well. The ancient Israel of God, as a race, as a society, and as a nation, is continued in the society of the first-born. Thus, the Church is declared to be a Royal Priesthood and a Holy Nation of rulers and of priests.

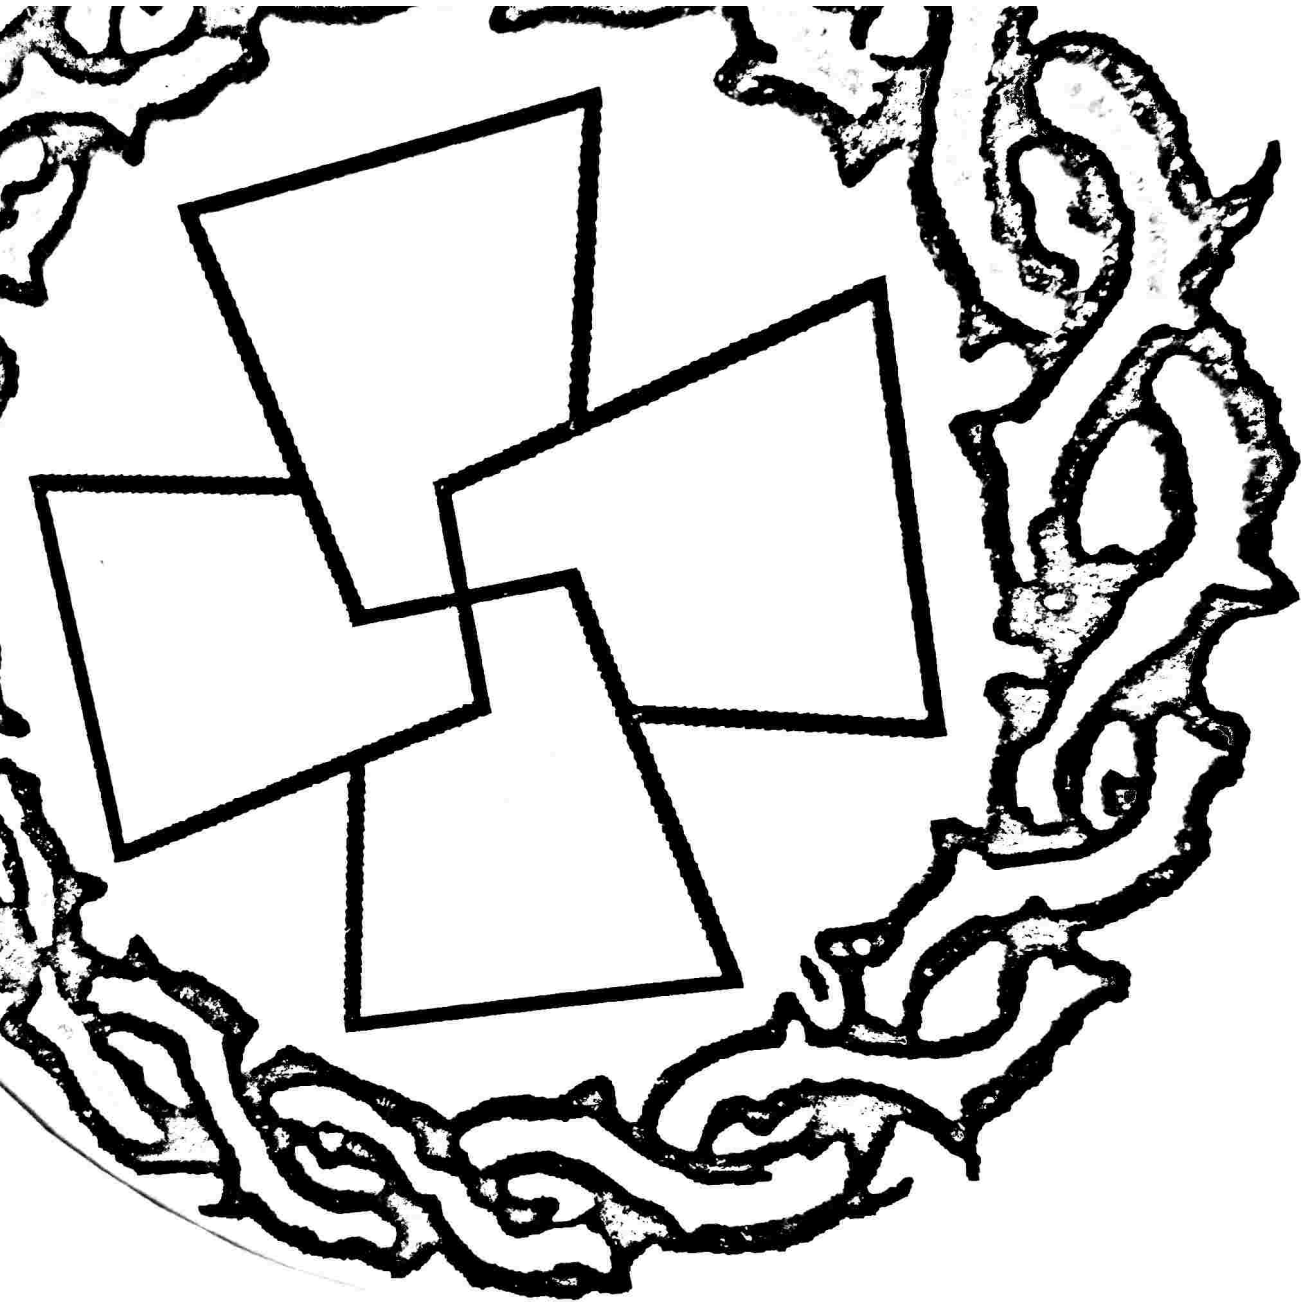
Thus far, we have discussed the perfect will of God for Adamic men and women, and we have seen that the New Covenant of the Lord Jesus Christ establishes the true priority for the lives of believing men and women, and as we have said earlier that true priority is to seek first the Government of God and all of His justice. This means that it is God's will for His people that they fulfill His law by putting Him first in all things, and while there are different administrations of that duty mandated by the physical laws of this world, it is still the same persuasion and the same duty of fulfillment of that persuasion, both for males and females. Since the things of this world are of temporal importance and

we are commanded not to love the world, neither the things that are in it, then it is self-evident that the ultimate purpose of our lives is to serve the Living God, and we are expressly told that whatsoever we do in word or in deed, to do unto the glory, or better said, reputation of the Living God. I will not have time in this session to go into great detail regarding those children of the Adamic race who, through the victimization of Satan and deception, have been robbed of their birthright, but I will take the time to say that no matter how an Adamic racial child of God may be out of the perfect will of God, thanks be to God our Father, we have a remedy in the Communion of the Firstborn called the blood of Jesus Christ, and that is all sufficient in power to make all things right, and I am speaking of course for those who have not crossed over the law unto sins unto death, having taken and been sealed with the mark of the beast. My time today will not permit me to go into all the areas I desire; we shall endeavor to do this the next time we teach on this subject, but before I conclude, I will address one of the greatest problems that continues to plague the society of Christ today.

Most often among Separatists, this problem is defined as believing husbands and disobedient, Judeo wives. In some cases, it is of course the reverse, and most of these unions were entered before they ever had knowledge of the Separation of the Spirit of God. But this is not a new problem; it existed in the first Church of Christ, as it of course exists in the last and latter reign of the Church of Christ. A person's duty is first and foremost to be loyal to the Living God whether they find their oppressors to be a tyrannical, godless establishment of government or of an oppressive,

God-hating spouse. If such is pleased to dwell with you, according to the laws of decency, then seek not a divorce, for you may, in your holy and consecrated walk of separation, lead that Adamite to a saving knowledge of truth. But if your spouse will not walk according to the laws of decency and accept you as a Separatist Christian, and honor your commitment and persuasion, and wherein women are concerned, if their husbands are abusive and blasphemous, and wherein men are concerned, if their women are treacherous, unfaithful and disobedient, then the Word of God says, let them depart!

No Christian is under obligation to live in Hell or at the mercy of Hell. No Christian is obligated by any precept in the Word of God to continue a union entered in ignorance that abuses them. It is not God's will that His people be door-mats upon which godless people wipe their feet. And all the perverse translations of the people and all of the perverse teachings of Judeos do not supersede the teachings of the Word of God.

I believe that the information in this work regarding Israelite marriage is essential to be understood before one may address the problems of those Adamic children, who through the circumstances of life and motions of life, find themselves walking in the permissive will of God rather than the perfect will of God.


Let us close this discourse today by being mindful of the all-sufficient and powerful blood of Jesus Christ our Master, shed for us that we might be cleansed of all unrighteousness. There is a remedy for all of our circumstances and problems, and it is the blood that flows from Emmanuel's side, that wondrous fountain that cleanses from all unrighteousness. Let us pray . . .
